

Port Lavaca Veterans Memorial

Our Mission

The Port Lavaca Marina Bayfront Veterans Memorial is developed around a "visual and interactive" concept to cultivate a public understanding of the sacrifices made by veterans on the battlefields during and since the 20th century and by their families whose sacrifices helped to protect and maintain the freedom enjoyed by Americans today.

Each branch of service will be represented by a point on the star.

STAR of HEROES

VETERANS MEMORIAL

Star of Heroes Entrance

Through the creation of your memorial park, we will foster a common understanding of the sacrifices and uncommon dedication of veterans and their families. The main pathway, called "Star of Heroes", will portray a sense of the total commitment given by these men and women during the twentieth century through war conflicts and peacetime endeavors.

In a park setting, the memorial provides a thorough self-paced and self-guided tour. This allows individuals to reflect on the rights and freedom enjoyed by today's citizens in the United States of America which have been preserved by unselfish acts of all veterans.

This donation is tax deductible.
